Stage Manager: Alisha Morris

REHEARSAL REPORT #12

DATE: 11/1/11

START TIME: 6:34pm

END TIME: 10:00pm

REHEARSAL SUMMARY: Bill worked all of act I on the stage.

SCENIC: Just a reminder that the laundry room shelf will have a radio and the laundry board (eventually) on it. Also, hopefully there will be room for a few more laundry supplies. Do you know if we have any extra bags for the vacuum or who we need to talk to so that we can get some?

COSTUMES: Will Randy and Chad be able to wear their kneepads during performances?

HAIR/MAKEUP: none at this time

PROPERTIES: The laundry clothes will work. However, if we could find a more beat up/distressed laundry basket in someone's closet, that would be good. The blanket will work, therefore the rug for the carpet can be less bright, secondhand/faded and worn. The large trays are too big, but the smaller brown circle one will work if we can acquire more of those types. Rachael has a velvet ring box that Bill liked the idea of, as long as the box matches well with the miniature red bag. We broke the ironing board tonight. It may be able to be fixed by welding? It may be helpful to have a backup ironing board during performances just in case. We broke one of the brown paper bags; we have plenty left over though.

LIGHTING: none at this time

SOUND: Brandon Long has joined us as the soundboard operator. Alex and Trevor are meeting with Bill on Thursday and Friday at 5:45pm. We appreciated Alex and Trevor joining us to watch part of the rehearsal tonight, thanks!

FRONT OF HOUSE/PUBLICITY/BOX OFFICE: none at this time
