

Almost, Maine

Director: Bill Christie

Stage Manager: Alisha Morris

REHEARSAL REPORT #12

DATE: 11/2/11

START TIME: 6:35pm

END TIME: 9:55pm

REHEARSAL SUMMARY: Bill worked act II scenes on stage, except for Pete and Ginette, which we will be working tomorrow. Trent worked with Pete, Ginette, Steve and Marvalyn in the lobby. Kyle worked with Jimmy and Sandrine in the lobby.

SCENIC: We noticed a leak from the rain coming from the House Left vom door entrance tonight. We left some bowls there to catch the drips.

COSTUMES: Are we still good to go on playing with the Dave, Rhonda layers on Mon, Nov. 7th? Alex's skate seems a little loose when walking in it. Perhaps she could use more/thicker socks? To avoid the noise of Phil and Marci walking backstage with skates on, could we have them put them on backstage stage right? Is it possible to get some new kneepads for Randy? His are getting a little worn in the knees.

HAIR/MAKEUP: none at this time

PROPERTIES: Bill says the painting is lovely! We have asked Jamie if we can borrow some trays from Heroes, she will get back to us. Rachael will be bringing the ring box on Monday. Can we have a working ironing board as soon as possible; we cannot work the laundry room scene without it. Bill approved the blue laundry basket and the red bags from Park.

LIGHTING: none at this time

SOUND: Alex and Trevor are meeting with Bill at 5:45pm on Thursday and Friday.
